© PROFILE
(01)

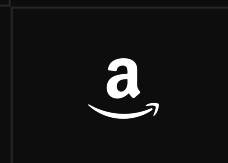

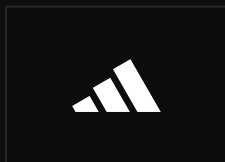

10+ years of experience creating edits and motion graphics for brands, agencies, and broadcast.

Using **Adobe Premiere Pro, DaVinci Resolve & After Effects** to edit, animate, colour grade & design. Having worked for big name brands such as: **adidas, Netflix, Meta, Amazon, Asda, Sky, Getty Images & Oreo.**

Experienced in editing and motion design work created for brands, agencies, and broadcasters. From campaign content and social films to broadcast programming and digital storytelling. I **oversee editing workflows across multiple projects**, coordinating with junior and midweight editors, producers, and creatives to ensure consistent quality and timely delivery.

Comfortable working on-site and remote jobs.

© CLIENTS
(02)
